

# VOILIER

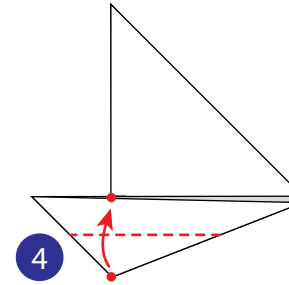

Traditionnel japonais.  
Prendre un carré de 15 \* 20 cm.

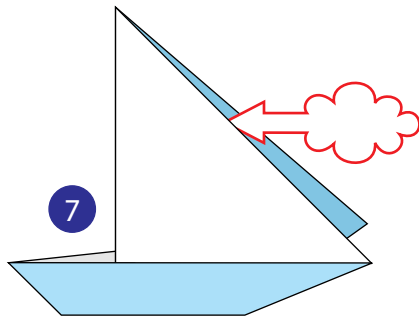

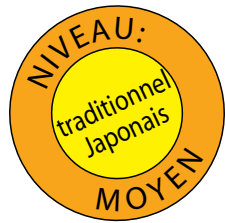

2 Ne marquer que le point A.

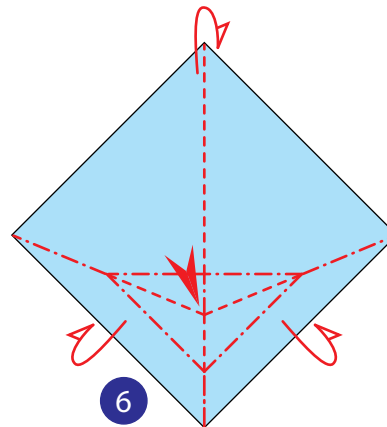

3 Plier les 2 couches en vallée.

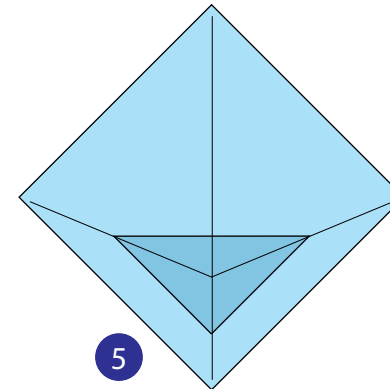

4

7 Le VOILIER terminé, on peut le faire avancer en soufflant sur la voile.

6 Bien mettre tous ces plis en "vallée" et "montagne".

5 Déplier la feuille : La partie à enfoncer est en gris foncé.
